

THE ANGER BOX "FLOWCHART"

Summarized Instructions:

Beginning in the top-left corner of the flowchart, use the Mentee's most recent response to determine what to do next in a TPM session. **Detailed instruction on what to do while in the ANGER Box can be found in the book titled, "The Process of TPM."**

THE QUESTIONS THAT ARE ASKED WHEN WE ARE ANGRY TOWARDS GOD:

The first question that needs to be answered when a Mentee is angry towards God generally exposes what the Mentee believes God did or did not do (which is often reflective of the truth; for example, "God allowed that to happen!" or "He didn't stop it from happening!"), whereas the second question helps to reveal the Mentee's perspective of God Himself ("He is untrustworthy, cruel-hearted, unloving, etc.).
